## Praim 2026 Technology Refresh Program (Trade-In)

Now is the perfect time to modernize your company's workstations with the new **Praim Technology Refresh Program**.

In recent years, collaboration technologies have advanced at remarkable speed. Solutions such as Microsoft Teams, Zoom, Google Meet, and Cisco Webex have quickly become business-critical tools for everyday operations.

Virtualization infrastructures have evolved to fully support these services, making workstation upgrades essential to deliver the smooth, high-performance user experience today's workplaces demand.

Equipping your teams with **modern, up-to-date devices** not only improves employee satisfaction, but also helps boost efficiency and overall business productivity.

A technology refresh project can be challenging, but with Praim's dedicated program, upgrading becomes simple, streamlined, and cost-effective.

From **June 1, 2026 to August 30, 2026**, customers replacing obsolete Thin Client models with the latest-generation Praim solutions can take advantage of **exclusive commercial conditions**.

Don't miss this opportunity to upgrade your work environment with Praim's new Technology Refresh Program. Contact us today and start planning your refresh journey.

### Why choose the Technology Refresh Program:

- **Latest-generation solutions**, complete with three years of hardware warranty and ongoing software updates.
- **Greater value, transparency, and convenience:** beyond the promotional pricing, Praim also covers transport costs for both delivery and the collection of obsolete units.
- **Responsible end-of-life management:** Praim manages the collection and compliant disposal of replaced obsolete devices.
- **Simplified asset retirement:** Praim purchases and collects obsolete units, helping your company remove them from the fixed asset register.
- **Maximum flexibility:** purchase devices according to your budget and rollout timeline from June to August 2026, and schedule collection of decommissioned obsolete units even at a later stage.

## ***Program Terms and Conditions***

**Promotion code:** CAM26-0001

**Validity:** June 1, 2026 – August 30, 2026

**How it works:**

Contact your trusted Praim reseller as soon as possible to define a refresh plan tailored to your business needs.

Praim guarantees these special commercial conditions for all devices purchased within the promotional period and, once the new products have been deployed, will coordinate the collection and compliant disposal of all replaced obsolete units.

This approach makes it easier to plan the supply of new products, simplifying replacement activities while delivering both logistical and economic advantages.

**Eligible trade-in models:**

You can return obsolete Thin Client models currently installed in your company, whether they are **Praim devices** or products **from other brands**.

Replacement purchases can include available Praim models from the Neutrino, Meridian, Zenith, Domino NEXT, Flexi mobile Thin Client, and Expert Center ranges.

Note: collection is included only for desktop Thin Client units and does not include monitors.

**Minimum quantity:** 5 units.

**Maximum quantity:** there is no maximum limit, but the quantity must be agreed upon and authorized by Praim together with your delivery plan for the replacement new products.

**Shipping:** Praim covers transport costs for delivery of the new devices, which are shipped directly by Praim.

**Collection and disposal:** Praim covers transport costs for collection of the replaced units. In addition to the special purchase pricing on the new devices, Praim will buy back decommissioned units at 1 euro per unit and manage disposal procedures at its own expense in full compliance with applicable regulations.

**How to join the promotion and save:** contact your trusted reseller to request a quotation, and be sure to mention the promotion code when placing your order. Alternatively, you can contact us by filling out the form at this [link](#) and including campaign code CAM26-0001. Our team will then contact you to confirm the request.

**Additional conditions:** participation is subject to acceptance by Praim. This program cannot be combined with other promotions or special quotations that differ from the price list. Praim reserves the right to suspend the program at its discretion and without prior notice.
